Hi all,

Thanks to those who were able to attend today's working group focused on the Arts District, and especially to our stakeholders who live and work in the Arts District who were able to attend and provide their input. There's still lots to cover, but I think we set a good baseline for further discussion as the DTLA 2040 process moves ahead.

I've attached our meeting notes for your reference, and look forward to continuing the

conversation between CCA, the BIDs, and the City.

Cheers,
